I might bring my skates tomorrow and skate home on the Canal.

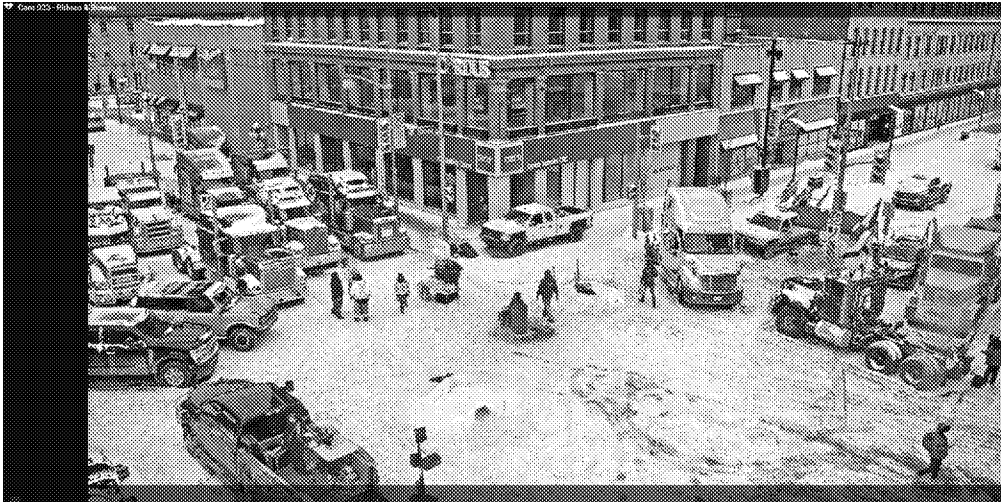

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 1:57 PM

Also... could just walk out of the perimeter and then take an uber or a cab. 😊

Lots of options. EPS is innovative.

We think a child is building a snow tunnel in the middle of the road.

Community Safety Walks

- Keep each other safe in our communities
- Support and check in on local businesses
- Walk in groups, not alone
- Dress warmly, bring water, stay for as long or as little as you want
- If you feel unsafe at any time, enter a local shop or leave in a group
- This is meant to be organic in that other neighbourhoods may also want to start these safety walks in their community blocks

Our route:

A map showing a route for a community safety walk. The route is a loop that starts at a point labeled "Start" and ends at a point labeled "End". The route passes through several streets and landmarks, including "St. Patrick's Church", "St. John's Church", "St. Mary's Church", and "St. Michael's Church". The map is titled "Our route:" and shows a series of connected lines representing the walk path.

Heads up that Vera may very well talk about threats to healthcare workers and vaccine clinic staff at EOCCG. There is stuff out there but it appears to be the usual generic that has been on-going rather than specific like how Chief Sloly is getting direct threats now. But hospital staff and Vera's staff were very anxious to begin with and are now more so. We are directing them to seek advice from Police but I wanted to flag that this could come up.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/4/2022 4:59 PM

Thanks Beth... can we find out from police if they have received any Intel about threats to Vera's group

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 4:59 PM

They are saying no.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/4/2022 5:00 PM

We need to say threat there is not intel that they are being targeted. I explained that to the hospitals yesterday however we will let them know if that changes.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/4/2022 5:37 PM

They are starting a barrel fire at Sussex and Rideau.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 5:37 PM

On it

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 5:39 PM

OPS position is to allow right now.

Heads up that Trish Ferguson from Police accepted the EOCCG invite. Any SITREP at that meeting would come from her.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 5:52 PM

We'll have 2-3 slides on City support and safety plans.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/4/2022 5:52 PM

Sounds good.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 6:54 PM

Should I remove that?

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/4/2022 6:54 PM

Nope... its a reality

Don't worry about that email Tanya is sending it out!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/4/2022 10:15 PM

What the? They are still negotiating at Confed park. I think you do need to go with Paul and your equipment/tools.
